## **Mr. Christopher A. Danielewski** **Disclosure Policy Coordinator**

Mr. Danielewski was assigned to the Integrated Deepwater System in September 2002 and is currently the Disclosure Policy Coordinator for the Deepwater International Programs Office. He coordinates all disclosure and technology transfer-related matters involving the foreign military sales of Deepwater assets. The Deepwater Program is the largest acquisition program in the history of the U.S. Coast Guard. This innovative acquisition program will develop, acquire, and sustain an affordable integrated system of surface, air, command and control and logistics assets that serve America's maritime safety and security needs.

Prior to his assignment at the Deepwater Program, Mr. Danielewski worked in a variety of research-oriented capacities while finishing his studies. He worked in the Office of U.S. Senator Rick Santorum in Philadelphia, PA; in the Financial Counselor's Office at the Embassy of the Republic of Poland in Washington, DC; and, most recently, on the U.S.-EU-Poland Action Commission at the Center for Strategic and International Studies in Washington, DC.

Mr. Danielewski completed his Bachelors Degree in Political Science at the University of Pittsburgh in Pittsburgh, PA, where he also obtained a Certificate in Russian and East European Studies. He completed his Masters Degree in International Affairs, with a concentration on comparative and regional studies, at the American University in Washington, DC.
